WRITING- 10 баллов

Write about 140-180 words

One day last holidays I decided to go exploring on my own in the mountains. The time passed quickly and by late afternoon I got tired and hungry. "Maybe I'll find a village soon," I thought. But there was nothing. As it started to get dark, I realized I was completely lost. I could easily die, I thought on this cold mountain. Suddenly

I saw ~~the~~ a man going from the tree. "Hey!" - I started screaming and running to him. He noticed me and stopped. He wasn't as close as I expected so I got tired when I caught up with him. "What are you going here?" - man asked me. He didn't look much kind and happy about me. But it was a dark night and I was completely lost. This man was my last hope. "Can you help me, please?" I was exploring in the mountains and then I lost. I'm really tired and hungry... Oh my God! My parents must be so frightened. Please, help me!" - I quickly said all this to him. One second he seemed surprised then again angry. "Ok, ~~let's~~ let's go. I'll help you to get to the village if you don't annoy me." Man started walking. After 10 minutes of walking I saw the lights of the village. We came ~~closer~~ closer and I saw police car. Then I saw my parents. At that moment I realised I would be punished for the rest of my life. ²⁸
