One day last holidays I decided to go exploring on my own in the mountains. The time passed quickly and by late afternoon I got tired and hungry. "Maybe I'll find a village soon," I thought. But there was nothing. As it started to get dark, I realized I was completely lost. I could easily die, I thought on this cold mountain. Suddenly

I saw a dog. I did not know this dog but I was sure about the friendliness it has. Doggy looked kind and playful. And a sec later it was right next to me so I could finally see the colour of its eyes. And I thought it was an angel. It is white creature with the day sky in its eyes, it stared at me, questioning: "You are lost, right?"

Then the angel began to walk towards some side. I chased it and for make sure that I would not be lost again it was turning its head, looking at me.

Soon I reached the point where trees became rare, and I saw the city. I was so happy this moment.

From this day, I own my pet - dog named Angel. I owe him my life and I'm sure I love him more than everything else!
