WRITING- 10 баллов

Write about 140-180 words

One day last holidays I decided to go exploring on my own in the mountains. The time passed quickly and by late afternoon I got tired and hungry. "Maybe I'll find a village soon," I thought. But there was nothing. As it started to get dark, I realized I was completely lost. I could easily die, I thought on this cold mountain. Suddenly

I heard that somebody was walking not so far away from me. I came closer and saw that it was a short man. We talked and turned out that he lives in the village near that mountain. ~~What~~ I was so happy to hear that I couldn't find that village for so long! He said that his name is Harold and he will show me the way out of there but before that to bring me at his house and let me have some rest. ?

His home was not very big but it was really comfortable. There I ate a soup that Harold gave me and went to sleep. On the next morning we went in our way back to my home. He showed me how to find a big noisy road and then I called my friends and asked them to pick me up.

I will never forget how nice and kind to me was Harold. This was one of my most unusual adventures!

$$3 + 2 + 2 + 0 + 1 = 8$$
