One day last holidays I decided to go exploring on my own in the mountains. The time passed quickly and by late afternoon I got tired and hungry. "Maybe I'll find a village soon," I thought. But there was nothing. As it started to get dark, I realized I was completely lost. I could easily die, I thought on this cold mountain. Suddenly

I saw a glimpse. It was a car. In a second the car ~~was~~ stopped. A stranger went out ~~of~~ and I recognised my old friend Alex. He was thought to be fond of climbing. That's why I was not amazed so much. But in the same time I was extrimelly grateful because I was saved. ~~Howether he was~~ Opposite he was impressed a lot and asked me immediately: "Wow, what are you doing in this quite place? There are almost no soul here!" Then I kept calm and answering: "I made a stupid thing, Alex. I have decided to explore this mountain on my own. And now I am completely lost". Alex had been laughing at me ~~for~~ about ~~two~~ minutes. But after that I asked if he could help me and my friend help me immediately. While our way to home both of us were laughing at this crazy idea and ridiculous situation.
