Write about 140-180 words

One day last holidays I decided to go exploring on my own in the mountains. The time passed quickly and by late afternoon I got tired and hungry. "Maybe I'll find a village soon," I thought. But there was nothing. As it started to get dark, I realized I was completely lost. I could easily die, I thought on this cold mountain. Suddenly

I saw a little girl smiling to me. I got closer and realized that she was wearing only an old-fashioned blue dress. "Honey, is everything ok?" I asked. "~~Don't worry~~" "Follow me" she said. I was too tired to be shocked by how she was dressed or how such a little girl could appear in the mountains alone. I even didn't gave her my jacket. Just followed her.

We were walking for a long time by the moment I saw a tiny light in the dark. It was a lonely house in the middle of the forest. When we came in, there was noone inside. I had a terrible headache, my legs was hurting, so I even was not surprised why the light was switched on in an empty house. It was warm inside. I lied down on the sofa and fell asleep.

Next morning, I woke up early and tried to find the girl but it seemed like she was gone. I left the house and went home. When I turned back, my grandmother told me that there was a girl ~~who~~ who lost in the mountains thirty years ago.
